Life Membership Nomination Form

Life Membership

Life Membership of UC Stars Hockey Club is the highest honour a member can receive. It is awarded to an individual who has given consistent and exceptional service to the club over an extended number of years. This accolade recognises an individual that embodies the values of the UC Stars Hockey Club and actively promotes the culture of the club amongst other members.

Nominations must be submitted in accordance with the UC Stars Hockey Constitution (section 8). As per the Constitution, a person must be nominated by a current UC Stars Hockey member and seconded by another current member. The Board of UC Stars Hockey (hereafter the Board) will take into consideration information provided in this form when assessing nominations.

Criteria

An individual can be nominated based on the following criteria:

- The individual's contribution to the club has been exceptional and beyond what is expected of any individual, including a Club Legend
- The individual has provided service to the club beyond 10 years
- The individual has demonstrated ongoing, consistent, and exceptional contribution to the club and sport of hockey
- The individual has made an outstanding contribution across multiple roles within the club, including as a player, umpire, coach and administrator

It is important to note that meeting these criteria does not automatically qualify an individual for Life Membership. Not every individual who meets these criteria will necessarily be awarded Life Membership.

Process

- Nominations are made to the Board in accordance with the Constitution of the UC Stars Hockey Club.
- The Board will consider all nominations prior to the Annual General Meeting (AGM).
- Only nominations endorsed by the Board will be referred to the AGM as a Special Resolution.
- The Board's decision will be based on the information provided in the nomination form.
- A person may only be elected as a Life Member should the Special Resolution pass at an AGM or Special General Meeting.
